

OMAHA
CONSERVATORY
OF MUSIC

PRIVATE LESSONS

(Choose your track)

PUSH. Join our new intensive study track! The **Conservatory Program** includes two semesters of 7-week theory & aural skills classes for each level, with adjudication by Conservatory artist-faculty—plus all the benefits of the Musician Program.

PLAY. Jump right in with our **Musician Program**. Get 40 weekly lessons each year, with opportunities to join group, Master and Studio classes, IMA sessions, events & more.

Private lessons are only the beginning. Build a musical community with us! Group classes are the best way to connect with like-minded Conservatory students.

GROUP CLASSES

String Sprouts

This revolutionary music education program developed by Ruth Meints, the Conservatory's executive director, features a specially constructed curriculum with original compositions.

String Sprouts aims to change the lives of children in underserved areas by providing them with five years of high-quality strings instruction at little to no cost to caregivers.

Support OCM

The Conservatory serves **more than 600 private lesson students** and **nearly 1,500 more in other programs**, but we couldn't do any of it without the generosity of our donors.

Support for the Conservatory from people like you will help ensure we can continue our mission of building musical community through education and performance to enrich lives.
